- Payment Processing

## Experience

Food/Guest Service Coworker, Kwik Trip, May 2021-Current, Altoona/Menomonie, WI

- Promoted high level of guest satisfaction through genuine, enthusiastic, and friendly interactions.
- Handled payment processing and provided customers with receipts and proper bills and change for a variety of payment options, such as credit cards and cash.
- Greeted and assisted guests with a variety of inquiries, from locating items to taking individual orders for items.
- Worked closely with coworkers to keep the store in running condition, delegating tasks and working as a team to achieve desired goals.
- Managed food service for up to 9 hour shifts, preparing food for use, cooking food according to production plans while also being responsive to sales, and ensuring food being sold was safe for consumption.
- Worked in a fast-paced environment, had to be cognizant of and adaptive to changing work conditions, such as sales during a work shift and individual orders on top of the normal workload.
- Kept track of waste numbers by entering waste into a database system.
